## WEBSITE AND COMMUNICATIONS REFRESH!

The Cathedral's communications have a new look! A refresh of the Cathedral's website ([christcathedral.org](http://christcathedral.org)) went live on July 27, with notable changes including the addition of a search function and a News section, and separate listings for special events and regular programming in the calendar section. Functionality on mobile devices is also enhanced.

Happenings has moved to a new platform that is compatible with the website, and it also has a new look. You'll see the same design repeated in these announcements. All parishioners are encouraged to check out the new website, particularly the page or pages for any area of ministry in which you are involved. Please send feedback to Dianne Green, Director of Communications, at [dgreen@christcathedral.org](mailto:dgreen@christcathedral.org) And if you haven't already, "like" the Cathedral on Facebook and follow us on Instagram!
