

CHRIST CHURCH CATHEDRAL WORLD WAR I HONOREES

One hundred years ago today, at 11 a.m., the cease-fire ending World War I was put into effect. In time, November 11 would come to be observed as Veterans' Day, not only honoring the U.S. Veterans of World War I but of all wars.

At the morning Liturgies this Sunday, members of Christ Church Cathedral who are also U.S. Veterans have been asked to present the Eucharistic elements at the offertory.

Further, we remember the following Christ Church members past who served their country faithfully during World War I, many of whom gave their life in doing so.
