CATECHESIS OF THE GOOD SHEPHERD CATHEDRAL CHRONICLE

In last year's survey of families with children in Catechesis of the Good Shepherd, it became clear that parents would appreciate a regular sharing of the work done in the CGS atria. Last week, the first post went up on the Cathedral Chronicle blog and all CGS families and catechists were notified. For the remainder of the academic year, the Cathedral Chronicle will feature a post on the third Monday of every month about each atrium. Generally, the posts will offer highlights of work with scripture, song, and liturgy/prayer. Grandparents, friends, and parishioners in general are invited to read these and other posts to the Cathedral Chronicle blog at <https://www.christcathedral.org/cathedral-chronicle>

CREATION CARE NOTES: OCTOBER

Did you know that Nashville residences and businesses produce A MILLION TONS OF WASTE every year?

According to the Metro Department of Public Works, MORE THAN HALF of this waste includes RECYCLABLE material. Another 34.3% COULD BE COMPOSTED, leaving only about 12.3% to go into the landfill. What a difference it would make if we all recycled properly! The Public Works Department has produced two excellent short videos to explain what does and does not go into the recycling bins and how the recycled material is processed. Both are worth watching to help us all to be better stewards of God's Creation.
