TIE THE FENCE PINK!
JOIN US FOR A DAY OF PRAYER
SATURDAY, OCTOBER 26 | 8 A.M.-1:00 P.M.
HOLY EUCHARIST 12:00 P.M.

Christ Church Cathedral invites everyone to stop by and remember those whose lives have been affected by breast cancer. You may write their names on pink ribbons provided by the church and then tie the personalized ribbons to the wrought iron fence on Broadway.

A Eucharist will be celebrated on the sidewalk on Broadway at noon. We will pray for all who have been touched by this disease, as well as the caregivers, physicians, and nurses who provide treatment to breast cancer patients.

As part of the Diocesan Day of Prayer, this powerful act of corporate prayer will serve to unite us as a common body of Christians in middle Tennessee.

For more information, contact the Reverend Lissa Smith at lsmith@christcathedral.org

GUILD OF THE CHRIST CHILD

One aspect of the Cathedral's Pastoral Care ministry is to prepare for and celebrate the birth and/or adoption of children to members of the parish. We do this through prayers, notes, meals, and gifts. If you are expecting or adopting a child, please share this news with the Reverend Lissa Smith at lsmith@christcathedral.org for inclusion in the weekday prayers.

Again this year, we are also inviting 12 homeless women to join us at Christ Church Cathedral. We will welcome these guests two or three Tuesdays per month. Volunteers are needed for this important ministry. Please go to <http://bit.ly/2lf534q> to become a volunteer. CREATION CARE NOTES: OCTOBER

Did you know that Nashville residences and businesses produce A MILLION TONS OF WASTE every year?

According to the Metro Department of Public Works, MORE THAN HALF of this waste includes RECYCLABLE material. Another 34.3% COULD BE COMPOSTED, leaving only about 12.3% to go into the landfill. What a difference it would make if we all recycled properly! The Public Works Department has produced two excellent short videos to explain what does and does not go into the recycling bins and how the recycled material is processed. Both are worth watching to help us all to be better stewards of God's Creation.
