# Discovery Weekend

## January 10, 4:00 p.m.-January 12, 11:00 a.m.

Discovery Weekend is a spiritual formation retreat held in the local parish for youth in grades 6-12. The weekend is filled with meaningful worship, life-changing experiences, and tons of fun! It all happens right on our campus at Christ Church Cathedral with our entire parish wrapping their arms around our youth. That's where YOU come in! This weekend is about living out the Baptismal Covenant, as we promise to do all in our power to support our youth in their faith journey.

**Here are three key ways you can support Discovery Weekend:**

**Join the Discovery Team:** We need to fill nearly **67** volunteer slots throughout the weekend. This is a parish wide event so we need parishioners from every corner of our community to join in. We're currently filling volunteer slots for the following positions: overnight leaders, logistics, meal team, etc. \*We especially need female and male overnight leaders. Check out how you can serve! **[www.christcathedral.org/youth](http://www.christcathedral.org/youth)**

**Register:** If you have a student in grades 6-12, sign them up for Discovery Weekend. We want EACH and EVERY student in our parish involved in this weekend! Cost is \$85. You can save \$35 by registering TODAY and snagging the early bird price of \$50. **[www.christcathedral.org/youth](http://www.christcathedral.org/youth)** Deadline to register is January 6.

**Pray:** Please begin praying for this weekend and our youth community at Christ Church Cathedral, and make plans to attend the Parish-Wide Prayer Service on January 11 at 7 p.m. in the Nave.

You can learn more about Discovery Weekend by visiting our website at **[www.christcathedral.org/youth](http://www.christcathedral.org/youth)** or emailing Alison Bocking, Director of Youth Ministries, at **[abocking@christcathedral.org](mailto:abocking@christcathedral.org)**
