This year, the polls will also be open on Wednesday, January 22, from 9 a.m. until noon for those who are unable to be at church on either of the two Sundays.

Five parishioners will be elected to serve a three-year term on the Vestry. The nominees are **Hosanna Banks, Denise Bentley, Christina Callaway, Ben Fuqua, Dave Goetz, Brian Jackson, Rachel Martin, Karmine Quiggle, Brooks Smith, and Andrea Tucker.**

Information about the nominees may be found in the insert in today's Orders of Worship. All parishioners should also have received this information in the mail last week. You may also refer to the insert for a detailed schedule for voting.

According to Diocesan canons, an eligible voter is present at one of the polling dates and times, is at least 16 years of age, and is an enrolled, confirmed communicant in good standing of the Cathedral congregation. If you have any questions or concerns about your eligibility to vote, please contact **Nancy Wilson** at nwilson@christcathedral.org or 615.255.7729.

Results of the election of the Vestry Class of 2023 will be announced as soon as votes have been tallied and all nominees notified of an election.

Please remember your parish in prayer throughout these days, in preparation for the election and in thanksgiving for these individuals who have allowed their names to go forward in nomination.

CAPTAIN WILLIAM DRIVER SIX PART SERIES
PART 1

William Driver was born in the seaport town of Salem, Massachusetts, on March 17, 1803. When he turned 13, he went to sea as a cabin boy on a merchant sailing ship. Driver's hard work was rewarded. After his sixth voyage, at age 21, he was promoted to captain. For his new ship, his mother and friends presented him with an American flag (24 feet by 12 feet) that he proudly named "Old Glory." Jack Benz, his great-great grandson, has just published *Old Glory from Salem to Nashville*, a beautifully illustrated book about Driver's adventures and world-wide voyages.

Take a look at the museum case in Parish Hall for more on Captain Driver.

In a world that is moving fast, it is good to slow down and work with our hands, to be a part of creating something beautiful. Each year the materials used by our children at Christ Church Cathedral are refreshed and new materials are made. Come and try your hand at some basic painting, cutting and measuring and then more complicated pieces. There is always someone who will be able to show you how to do a work. No special skills required, but if you have them we would be delighted to put them to use to the glory of God. Come pray with your hands and join in some fellowship.

TOILETRIES AND TOYS FOR ASYLUM SEEKERS

The number of asylum seekers passing through the Nashville Greyhound bus station has slowed in recent weeks due to changes in U.S. border policy, but a steady stream of travelers continues to need our support and presence. Asylum seekers who are not turned away on arrival at the southern border are permitted to remain in the U.S. while awaiting a hearing in front of an immigration judge. Many of them pass through Nashville enroute to their temporary housing. It is important to be prepared for the possibility of a new surge in asylum seekers in the coming weeks. We are continuing to collect and package kits of small toiletries for travelers (toothbrushes, toothpaste, shampoo, combs and brushes, deodorant) and soft toys for little ones. As winter weather settles in, lightweight jackets and blankets will help. Other groups are already supplying non-perishable snacks and first aid supplies. Donations of small toiletries and small soft toys can be delivered to Christ Church Cathedral's reception desk, and they will be collected into personal kits for distribution at the bus station. Contact Anna Saterstrom at anna.saterstrom@gmail.com for more information.

CREATION CARE NOTES FOR JANUARY

Want to help our avian friends during the Winter months? In addition to feeding them....

1. Make windows safer both at night and during the day so that birds don't run into them; up to one billion birds die every year from running into windows in the U.S. and Canada.
2. Keep cats indoors; outdoor cats are estimated to kill more than 2.6 billion birds in the U.S. and Canada every year.
3. Drink shade-grown coffee; it will help more than 42 migratory species have a place to winter safely.
4. Avoid pesticides.
