If you will compare this with last year's report, it speaks favorably for itself. But the treasurer had hoped to furnish a report with no item of deficit. He was extremely anxious to show in this department evidence of the marked growth in soul and the strength of the parish. There has been a considerable gain—but we should not rest content till each pewee's dues are promptly paid, thus carrying out the teaching of our Church. It is to be regretted that there is a falling off of some \$54 00 in the contributions to the Episcopate Assessment Fund.

S. M. D. CLARK, Treasurer.

Upon motion the Report was approved. Following the Treasurer's Report, was reported the Rectors annual Report, and also Report from the Sunday School, the Ladies Parish Aid Society, and from the Treasurer of the Church and Chapel Building Fund, all of which were referred to the Vestry. Election of Vestrymen being next in order, it was voted to fix the number to be elected at eleven, and that they be elected by ballot. The election having been then held, Messrs Poston and Whitehall acting as tellers, resulted as follows to-wit, Vestrymen Messrs W. A. Goodwyn, J. G. Clark, F. W. Wells, Chas. Whitehall, Bana Daniels, J. P. Dravidard, J. H. Robinson, W. G. Harwell, J. S. L. Harris & W. Jennings, and A. D. Payne. Thereupon the meeting adjourned.
